

Company Profile

TANUSHREE AIR TECHNIQUES Pvt. Ltd.

WHAT MAKES US UNIQUE

State Of the art manufacturing facility

Smartly engineered products reflect your approach Toward life. With our par-excellence Manufacturing Facility, we ensure high-quality products

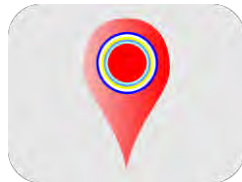

Countless Customized Options

We Offers Wide Range of Products as per Customizations & Drawings. We are very well known about Client's Need and provide best Solutions

New Edge Technology

We Know Competition is Growing Day by Day and Quality is the best policy to remain Goodwill. We used new technologies for making our product better

Pan India Presence

We have Availability PAN India and now we are trying to cover Overseas too. We are focused to reach our products at given time worldwide

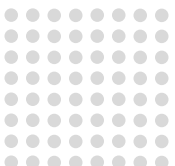

Client retention more than 85%

We are glad to share our Client's testimonials and we proudly say that we are associated with our clients by Retention of more than 85%

Unique concepts and finishes

We are accepting challenges and we ensure that you get better ideas and innovative concepts for your projects

ABOUT US

We are pleased to introduce ourselves **TATPL** as a Turnkey Solution Provider for Pharmaceuticals, Hospitals, R&D Centers, Food processing units & Microelectronic industry

TATPL was established in 2007 as a manufacturing unit with the aim to provide Turnkey solutions with customized manufacturing Quality products and on-time delivery

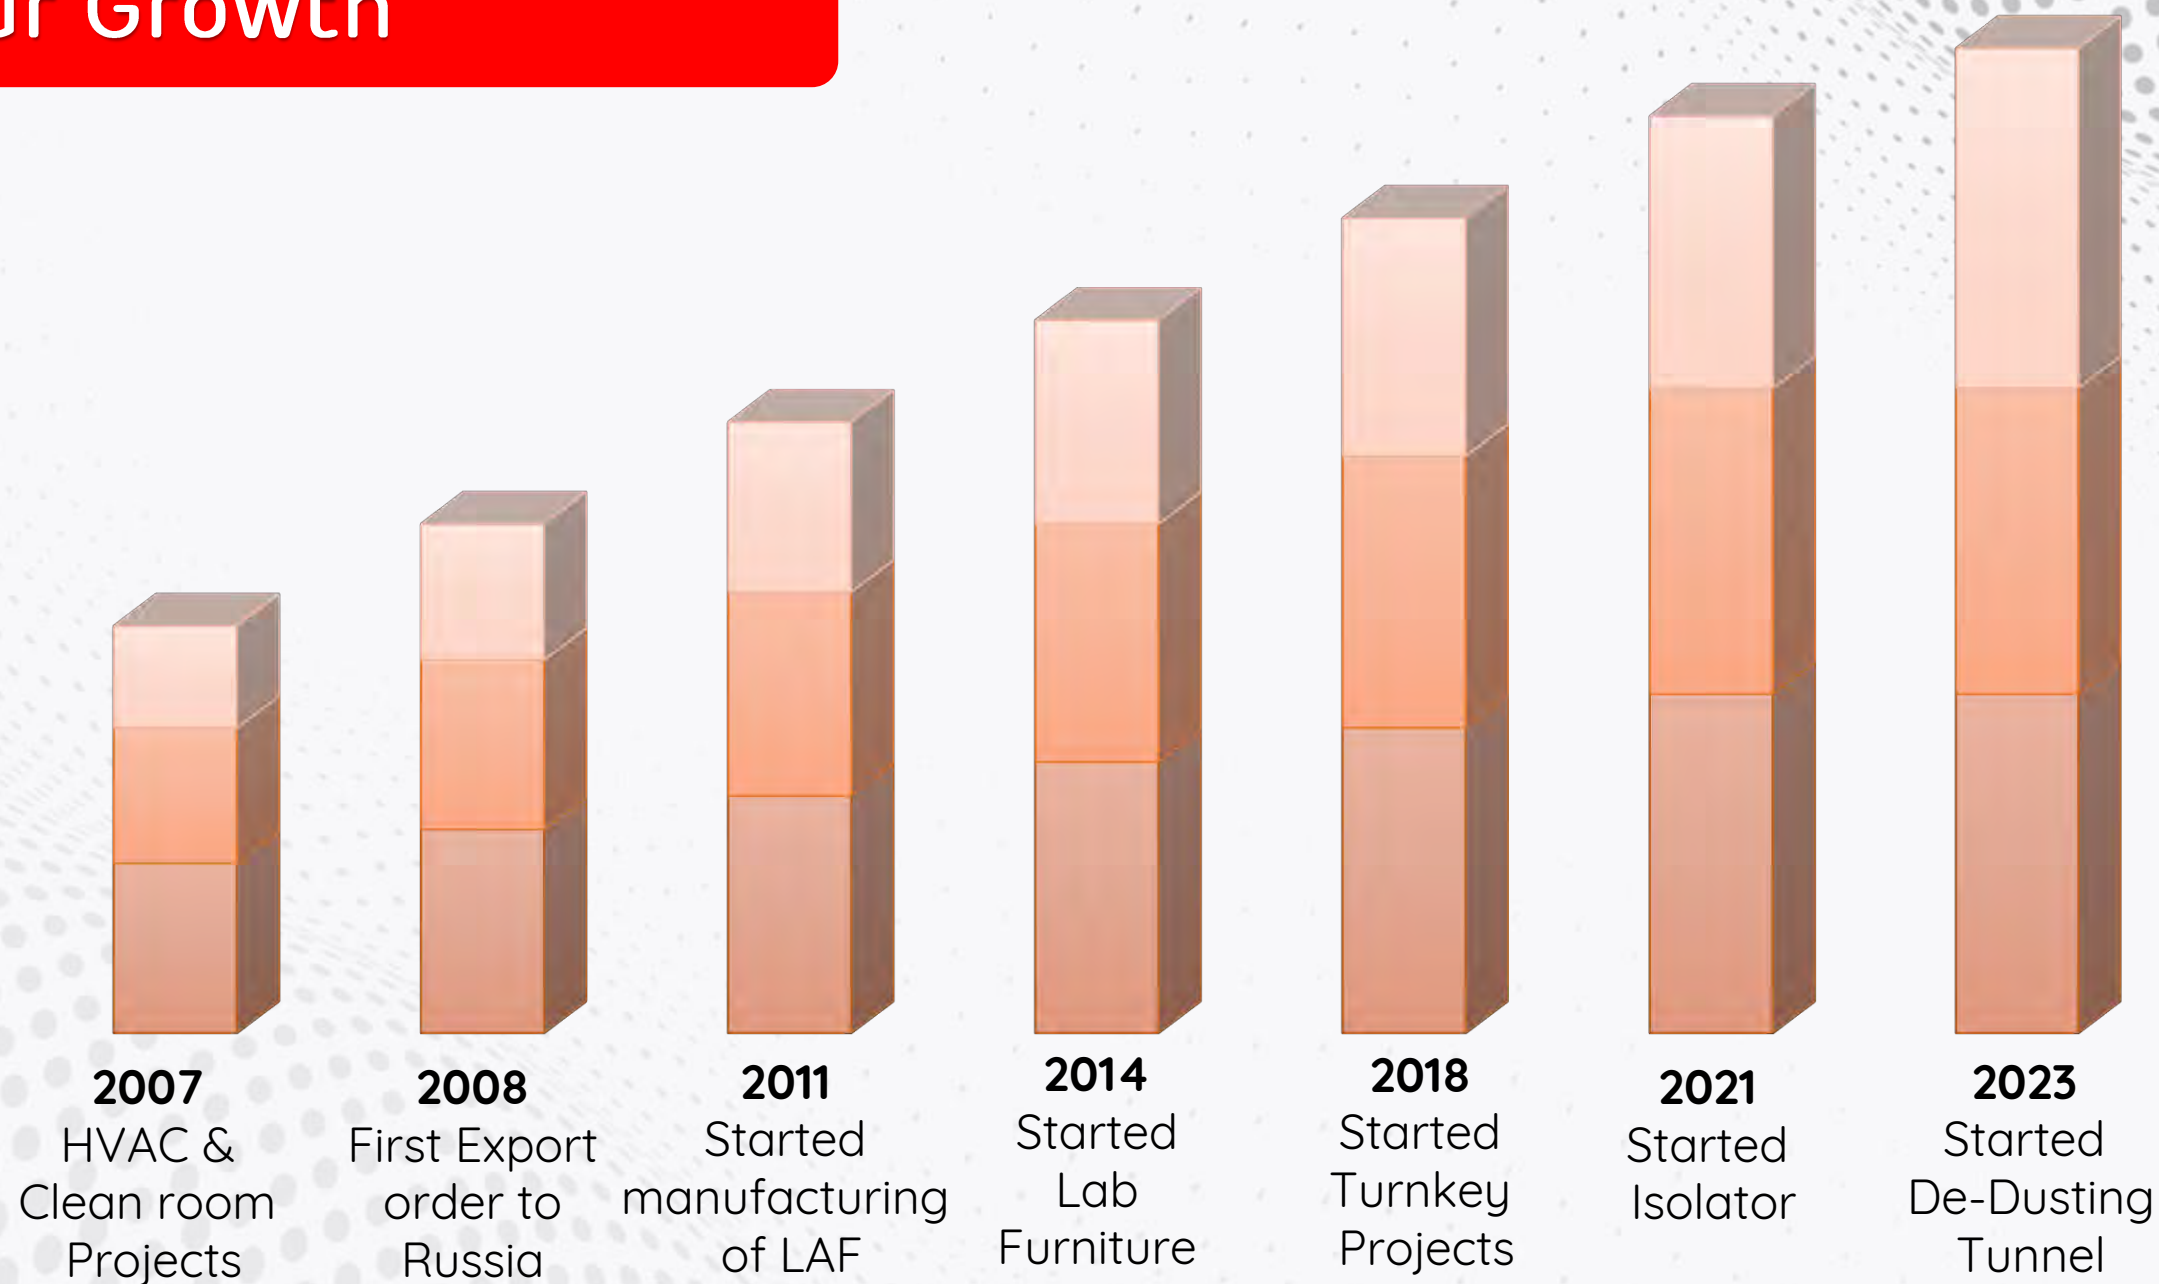

TATPL has committed all clients for economic world-class quality products supplied with continuous R&D in all of our product range

During the years TATPL served many clients in the domestic and international markets with countries like Russia, Ukraine, Georgia, Cameroon, Vietnam, Egypt, etc.

TATPL has the right balance in our team of young & enthusiastic professionals with experienced & senior professionals which enables us to cope of serve various demands from the market for quick & easy solutions

TATPL has a total strength of 70 people which makes us take Turnkey projects for various Cleanroom standards like USFDA, MCA, MHRA, WHO, FDA, etc.

Our Growth

Field of Application

Pharmaceutical Projects

API industry
Formulation
Injectables

- Automatic De-dusting Tunnel

WHAT WE CAN SERVE

Complete design consultancy with

**HVAC | Cleanroom | Laminar air flows | Lab Furniture | Air Side utilities
Waterside Utilities | Steam Side utilities | Fire Fighting | Electrifications
Equipment selections | Waste management**

**Layout Design as per various standards like
USFDA, MCA, MHRA, WHO, FDA etc.**

**Supply and installation of
Airside | Waterside & Steam side
Utilities with equipment**

**Supply and installation of
Electrification of plant with DG Sets**

**Supply and installation of
Fire fighting system only for International clients**

OUR PRODUCTION FACILITY

TATPL has state of an art manufacturing facility in a 50,000 sq. ft. area with 30,000 sq. ft. as factory premises

The following set of equipment is inhouse to achieve the best quality products for timely deliveries :

- 1. Roll-Forming machine for GI Profiles – 1No.**
- 2. Coil Cutting machine – 1No.**
- 3. Laser Cutting machine (5x1.5mtr) – 1No.**
- 4. CNC bending (4M) – 1No.**
- 5. CNC bending (3M) – 1No.**
- 6. NC Bending (3M) – 1No.**
- 7. Shearing Machine (4M) – 1No.**
- 8. Shearing Machine (3M) – 1No.**
- 9. Robotic Powder Coating Plant – 1No.**
- 10. Manual Powder Coating plant – 1No.**
- 11. PU Filling machine with bed press – 1No.**
- 12. Validation Kit With Thermal Anemometer, PAO Test,
Particle Count Test & Flow Pattern Test**
